## Rechargeable battery torch

**Product number: 9379103**

Our rechargeable aluminum flashlight is a powerful and practical companion for various situations. Here are the key features of this product:

**Product Highlights:**

- Powerful and Versatile:** This flashlight features three lighting modes: front LED light (steady and flashing) and side COB light, providing versatility for different needs.
- Rechargeable Battery:** With a built-in 400mAh battery, you can conveniently recharge the flashlight via USB, making it environmentally friendly.
- High-Quality Aluminum:** The flashlight is made of durable aluminum, ensuring longevity and stability.
- Convenient Retention Strap:** The retention strap on the flashlight allows you to keep it within easy reach, whether on your wrist or in your pocket.
- Print option:** Your logo will be engraved on the middle section of the flashlight, adding a personal touch and a professional look to the product.
